AFOMIYA KETSELLA
Software developer

ABOUT ME

I am a motivated and detail-oriented Software Engineering student with strong skills in front-end development (React) and mobile application development (Flutter). Experienced in building real-time, user-friendly web and mobile applications, with a proven ability to design, develop, and deploy full-stack solutions. Passionate about solving real-world problems through technology and eager to contribute to innovative teams with creativity and technical expertise.

SKILLS

- Frontend: React, HTML5, CSS3, JavaScript, Tailwind CSS
- Backend: Node.js, Express.js, MongoDB
- Mobile Development: Flutter, Dart
- UI/UX & Tools: Figma, Git, GitHub, Firebase, Supabase
- Other: Agile Methodologies, Problem Solving, Team Collaboration

EXPERIENCES

Freelance Frontend Developer
Remote | 2024 – Present
